To

The firms dealing in Sulphate of Alumina.

Enquiry No. 12348.

Re :—Supply of Sulphate of Alumina to the Water Supply Divisions.

Gentlemen,

No S.P.C. 4063-92. Please be good enough to intimate your best present day prices for the material described below :—

Four hundred tons of Sulphate of Alumina for delivery f.o.r. Bangalore.

(The rate offered should include all incidental costs).

Time of delivery should be specified.

The Sulphate of Alumina to be quoted should strictly conform to the following specifications :—

Lump Sulphate ranging in size not less than 3/4" and not more than 3" Cube Slab Brick supply shall not be accepted.

Chemical requirements :—

1 The material shall be basic.

2 It shall contain 17/18 per cent available water soluble Al_2O_3.

3 Iron contents shall be below 0·5 per cent as Fe_2O_3.

4 Insoluble matter shall not exceed 0·5 per cent material.

5 It shall be free from Arsenic or other poisonous metals.

Regarding size, the specification is as follows :—

Small lumps sulphate of alumina shall be free from all chips, string, piece of sacking, etc., and shall be of such a size that 100 per cent shall pass a sieve having 4 meshes per linear inch and 96 per cent shall remain on No. 10 Mesh and shall be practically free of all powder. The material shall be packed in strong, new double gunny bags of 2 cwts. each free from dust, rubbish and boresch.

The Secretary, Stores Purchase Committee is at liberty either to order the entire quantity from a single firm or to distribute the same among two or more firms.

The material should be delivered at Bangalore, carefully packed and insured against all risks including losses during transit up to destination stations. In the event of the material being found short or defective on arrival, the contractors shall be required to make good the losses or to replace the defective material by the correct one without extra charge.

Duplicate samples of materials proposed for supply should accompany the tender. The full name and address of the manufacturers should be clearly specified. The Stores Purchase Committee will also reserve the right to arrange, if necessary, for check tests on samples taken from the supplies. The cost of such check tests, *viz.*, Rs. 30 per test should be borne by the contractors. Tenders not satisfying these conditions shall not be considered.

In the event of failure to execute the contract satisfactorily and in time, the Stores Purchase Committee will be at liberty to cancel the order and to make purchases from other sources, the extra cost, if any, incurred thereby being debited to the defaulting contractors. The Committee further reserve the right to levy from the defaulting contractors a penalty of 3 per cent of the contract price as and by way of liquidated damages either for delay or unsatisfactory supplies.

In case of dispute as regards the proper performance of the contract, the decision of the Stores Purchase Committee shall be final.

Tenders should be submitted in sealed covers bearing the superscription "Tender for supply of Sulphate of Alumina" and addressed to the Secretary, Stores Purchase Committee, Bangalore City, on or before 10th May 1954.

S. SESHAGIRI RAU,
702 *Superintendent.*

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, BABBUR FARM.

Notification dated 13th April 1954.

It is hereby notified for the information of the public that cocoanut crop produced on Babbur Farm (450 bearing trees in the new garden) 28 miles from Chitaldrug and 100 miles from Bangalore will be leased to the persons who offer their highest value to the crop from 1st June 1954 to 31st May 1956. The intending bidders may kindly furnish to the undersigned their best offer so as to reach him on or before 25th of May 1954.

The intending tenderers may forward their tenders to the undersigned along with duplicate Treasury challans for having credited a sum of Rs. 100 under "Revenue Deposits" as earnest money. The tenders which do not accompany with the challans will be rejected.

The person whose offer has been accepted should deposit 30 per cent of the total value of the crop immediately after its acceptance and the balance amount within one month after acceptance. In default thereof the lease will be disposed off in favour of the next highest bidder.

The lessee will be permitted to harvest the crop as and when ripe nuts are ready only after total amount is fully paid.

The lessee should be responsible for the prompt guarding of the cocoanut trees immediately his offer is accepted and no complaint in case of theft or whatsoever will be entertained and no compensation whatsoever will be paid thereof.

The lessee is further required to give intimation, well in advance to the undersigned or to any immediate officer on his behalf prior to the harvesting of nuts daily or weekly. Further the nuts harvested from each tree individually should be kept near it and received after the details of harvest are recorded. Under no circumstances nuts should be removed to the residential quarters of the staff in the Colony. The lessee should give strict instructions on his behalf to his watchman or any person deputed on his behalf.

Any crop found being removed without the authority of the Assistant Director will be confiscated and disposed off and the realisation thereof being credited to the Government.

Nuts are subjected to be inspected by the undersigned before they are shifted from the spot.

The lessee is expected to spare whatever nuts required for experimental purpose at the Government rate.

The lessee should not further claim any compensation for the crop if there are any buckled bunches of nuts which may be tied to the fronds at his own cost.

The lessee has to make his own arrangements to irrigate in case of necessity the garden by his servant or watchman, and at his own expense.

The lessee is expected to allow Departmental people, if any experiments such as manuring, etc., are to be conducted in the leased out garden.

Further the lessee should compensate for nuts any damage done to trees or to any Government property during the period of leased term either by himself or by his authorised agents.

None except the servants of the lessee will be allowed to remain in the garden and the lessee should employ only reliable and honest watchman.

He should not remove the unmatured remaining nuts on the tree at the termination period of the lease tenure.

Harvesting of tender cocoanuts should not be occurred at any rate which may cause low yield during the succeeding harvest of the nuts.

The lessee should abide by the rules passed by the Director of Agriculture whose decision is final in all respects in accepting tenders as indicated above.

The Director of Agriculture in Mysore, Bangalore, is competent not to accept the offer, if the same is below the expected amount in the interest of the farm Revenue realisation.

Inspection of the crop is permitted on working days between 8 A.M. and 1 P.M. and 2-30 P.M. to 5-30 P.M.

The deposited money of the unsuccessful tenderers will be arranged to be refunded.

(8) Such of the items of work not included in the tender and done by the contractor under orders of the officer in charge will be paid for at the sanctioned schedule of rates of the Plant, if any, or at the rates that may be sanctioned by competent authority.

(9) In respect of all matters not specifically provided for and in all cases of dispute about rates, quantities and measurements, quality of work, etc., the decision of the Conservator of Forests, Shimoga shall be final and legally binding.

(10) If the contractor fails to fulfil all or any of the above conditions, the contract is liable to be cancelled and the security forfeited in whole or in part, as the case may be, besides holding the contractor responsible for any loss that may result. Such loss or penalty will be recovered as an arrear of land revenue.

(11) Any tools required for Adzing and Boring works, etc., will have to be supplied by the tenderer himself. No tools will be supplied by the Plant for such work.
